

Certified Interpretive Guide Course
February 10-13, 2009
Cedar River Watershed Education Center
19901 Cedar Falls Road S.E.
North Bend, WA 98045

The **Certified Interpretive Guide** program is designed for anyone who delivers interpretive programs to the public. It combines both the theoretical foundations of the profession with practical skills in delivering quality interpretive programming to visitors.

This 32-hour course includes:

- history, definition, and principles of interpretation
- making your programs purposeful, enjoyable, relevant, organized and thematic
- using tangible objects to connect audiences to intangible ideas and universal concepts in interpretive programs
- presentation and communication skills
- certification requirements (open book exam; program outline; 10-min. presentation)
- all materials, workbook, and CIG course textbook

Requirements for the CIG Course:

- Minimum age: 16 years old
- Participation in a 32-hour workshop
- Complete an interpretive program outline
- Create and present a 10-minute program
- Complete an open book exam

All requirements for certification are met during course of workshop. All course materials supplied by the instructor.
